Product Information

MSZ-EF-VG
Wall Mounted Indoor Unit +
PAC-LV11M LEV Kit Interface

Making a
World of
Difference

CITY MULTI

The **Zen Series** is a wall mounted system that blends energy efficiency with a sophisticated, streamlined design.

Combining an impressively low power consumption with a quiet, yet powerful performance, units have a distinctively styled front panel that not only looks appealing, but also helps to make cleaning of the unit easier. Designed to complement modern interior décor and suitable for a wide range of applications, Zen units blend in naturally wherever they are installed and are available in three striking colours; black, silver and white. To aid control and energy saving, the universal controller has an in built 7 day timeclock.

Key Features

- Stylish design in a range of three distinct colours
- Energy efficient operation with a powerful performance
- Recognised by the Noise Abatement Society and awarded the Quiet Mark for industry leading low noise levels
