**ME**

about our easy  
to install 90kW  
chillers, available  
for next day  
delivery

The e-Series delivers efficiency and reliability; up to six individual **90kW** modules can be connected together. Each module is designed to increase **overall system performance** through the utilisation of:

- built-in internal header pipes
- state-of-the-art compact heat exchangers
- multiple inverter driven scroll compressors per module
- separately controlled inverter driven fans

**SUITABLE FOR PHASED  
INSTALLATION**

**MINIMISED DISRUPTION**  
(SMALLER CRANE LIFTS  
REQUIRED)

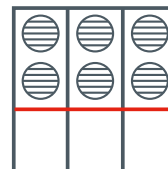

**COMPACT SIZE WITH  
SMALLER FOOTPRINT**

**NEXT DAY DELIVERY**  
(COOLING ONLY MODULES)

**INCREASED  
RESILIENCE**

**RELIABLE  
MODULAR  
APPROACH**

**3-YEAR  
WARRANTY**

**HIGH-QUALITY  
BUILD**

**LOW NOISE  
LEVELS**

**EXCELLENT  
EFFICIENCY**
