

By installing a Mitsubishi Electric Metering & Monitoring Service Package (MMSP) homeowners **can enjoy an additional one off payment of £805 plus annual payments of £115** for the full term of their RHI funding.

# Mitsubishi Electric Metering & Monitoring Service Packages

provide complete peace of mind that the Ecodan system is working as expected, allowing for remote diagnostics on the system should it ever be needed.

Our Monitoring & Metering Service Packages meet all the detailed requirements set out by OFGEM covering both the monitoring hardware and how the data is recorded and displayed.

## HOW IT WORKS:

## MMSP Installer Information

When applying for MMSP in the RHI portal the following questions need to be filled out.

- Do you have a meter and monitoring package installed? **Yes**
- Your package provider's name: **Installers name**
- Your provider's email: **Installers email**
- Your provider's contact number: **Installers telephone number**
- Your provider's package reference number **Installers reference to MMSP package:**  
This is their own unique reference number which if audited can be traced to the corresponding address of the install and not our product codes
- The date your package was installed: **dd/mm/year**
