

Our Chiller range at a glance

A wide range of advanced, customisable models for use in efficiently cooling a space or an environment to a set temperature. Our chillers fall into two broad ranges:

Mitsubishi Electric - Modular chillers manufactured to the highest quality standard, and suitable for a range of different applications, from comfort to industrial and even IT cooling processes.

Climaveneta - Chillers that use a wide range of low and lower GWP refrigerants, alongside the latest fixed speed/inverter scroll and screw compressors.
